

Notice to supervisee's and supervisors:

KAR 201 32:035 Section 3 (1) Clinical Supervision shall: (a) be equally distributed throughout the qualifying period and shall average at least four (4) hours per month as specified in the supervision contract;

Associate Licensee's must complete a minimum of 48 hours of supervision annually. The board reviews supervision logs carefully at the time of annual license renewal. Failure to meet the requirement of 48 hours of supervision annually may result in disciplinary actions for the supervisee and supervisor from the board.
