

**MFT APPROVED CEU LIST - 2024**  
**Good for 2024 Calendar Year, unless otherwise noted.**

Approvals on this list are only for the individuals who have applied for the Board to review. The same course may be taken by anyone else, but will have to be applied for again as a post-approval for individuals.

For Individuals with Post-Approval - Please print off the section showing your post-approval has been approved and submit that with the certificate when renewing. This way no information is missed and renewals can be processed faster.

**Please note! If you have a course that is approved for both the Telehealth 2 hour requirement and 3 hour Ethics requirement your certificate needs to clearly outline those requirements and not the overall hour total. Permith Holders & Licensees need to be able to show the Board the distinction of hours to count towards those requirements.**
